

**ALEX SGOBBIO** piano • **NICK WIGHT** drums • **EMI VERNIZZI** sax

# pericopes+1

**pericopes+1** is a trans-atlantic cooperative trio consisting of Emi Vernizzi (saxophone), Alex Sgobbio (piano), and Nick Wight (drums).

Their music is a tasteful balance of intelligent improvisation and adventurous composition - where the cutting-edge and accessibility intersect. Austrian News Channel ORF described the trio as "an original, stylish, well-balanced contribution to contemporary jazz".

Pericopes +1 new studio album "Legacy" (2017, Auand Records) is going to be introduced on tour throughout 2017/2018.
